NOTIFICATION DESCRIPTION (Including Details, Extent, and Reason for Change)

Note that this change does not affect the form, fit, function, quality, or reliability of the product. DRM-440 Rectifier Module includes a Panasonic relay part# ALZ12F12 as a component that has been manufacturer discontinued. Last-time buy for the discontinued relay is no longer available. Dongah has completed all Qualification Tests on Panasonic's suggested replacement relay (Panasonic part# ALZ51F12V) and determines that it has identical characteristics. Dongah will use this replacement relay in place of the discontinued component.

ALTERNATE PART (as applicable)

The existing (discontinued) relay is Panasonic part# ALZ12F12 and is being replaced by Panasonic part# ALZ51F12V. A second source for the replacement relay has not yet been identified but is being investigated.

EFFECTIVE DATE (including Last Time Buy and conditions, as applicable)

For product that will include this change, the proposed first ship date is March 1, 2014. Date Code notification will be provided prior to shipment date.

Please acknowledge receipt of this PCN within 30 days of the delivery date or the changes within will be accepted by Dongah by default.
